Computer Science Minor

Work History:

Content Analytics Intern @ Paystand (06/2024 - 01/2025)

Responsible for reDeFined podcast's social media presence. Currently manages official social media accounts on multiple platforms including (but not limited to) YouTube, Twitter/X, LinkedIn.

Reviewed and logged YouTube/Twitter analytics in Excel to predict channel/profile growth trends. KPIs included subscriber counts, like counts, interactions, or view/impression counts on videos.
